Re: Kennel Inspections

Kennel inspections were performed today. I was accompanied by Mr. Jerry Bradford. The following were found:

ByANose Kennel:

Greyhounds: 61

Trainer needs help ditching behind turnout pens to prevent flooding into kennel.

Clear The Way Kennel:

Greyhounds: 64

No problems reported.

Double G Kennel:

Greyhounds: 54

No problems reported

Fine Line Racing:

Greyhounds: 67

No problems reported

Jade Feise Kennel:

Greyhounds: 67

No problems reported

Phat Kat Kennel:

Greyhounds: 72

Kitchen area cluttered and dirty, refrigerator filthy (large amounts of spilled feed and fluids needs to be removed)

Mr. Street was informed of the problems and ordered to clean areas.

Shades of Greys Kennel:

Greyhounds: 58

Southern New England Kennel:
Greyhounds: 58

Vooroo Larue Kennel:
Greyhounds: 40

Roof gutter along back of kennel has fallen off, needs to be repaired.

Overflow Kennel:
Greyhounds: 14

Kennel was clean and greyhounds housed there were on bedding

Sprint Path:

Weeds and limbs are growing through fence into sprint path. Grass growing in sprint path, Sprint path needs to be drug.

Note: Many occupied kennel buildings are showing wear and tear and need to be refurbished. Additionally, one (or more) buildings need to be brought to a condition where greyhounds could be housed on short notice in the event that a major problem occurred at an operating racing kennel.
