

# Greyhounds Benefit from Legislative Pressure

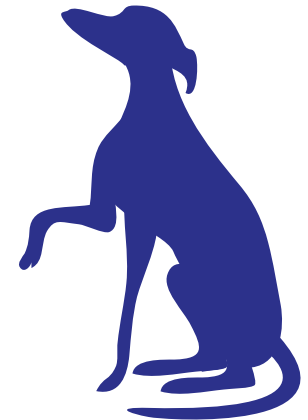

Since our formation in 2001...

- More than two dozen dog tracks have closed or ended live racing
- There are only 18 tracks left in five states
- Greyhound racing is illegal in 40 states

Gambling on dog racing has declined by 68%

During this period, the rate of decline has **more than doubled**

We have passed sixteen major greyhound protection laws, including dog track prohibitions in five states

**2001** We passed a requirement in MA that all **greyhound injuries be reported to the public**. The measure also mandated reporting on the **final disposition** of all racing dogs.

**2004** We passed a **greyhound injury and disposition reporting law** in NH.

**2006** We repealed a longstanding **\$325,000 annual subsidy** for dog racing in NH.

**2007** We repealed an **annual subsidy** for the drug testing of racing greyhounds in NH.

**2008** We eliminated an exemption for racing greyhounds that existed under NH's state **anti-cruelty laws**.

**2009** We passed a **greyhound decoupling law** in NH.

**2010** We passed a law to **prohibit greyhound racing** in RI.

**2012** We passed a **greyhound decoupling law** in AZ.

**2010** We passed a law to **prohibit greyhound racing** in NH.

**2014** We passed a law to **prohibit greyhound racing** in CO.

**2014** We passed a **greyhound decoupling law** in IA.

**2014** We passed a **greyhound injury reporting law** in AZ.

**2016** We passed a greyhound **injury reporting requirement** in FL.

**2016** We passed a law to **prohibit greyhound racing** in AZ.

**2001** We passed the only state funded **greyhound adoption trust fund** into law in MA.

**2008** We passed a statewide ballot initiative to **prohibit greyhound racing** in MA.
