

Beryl Powers Burns Do not support Etsy as long as they keep Grey2k as their charity of the month. One month of not buying is not going to hurt you

Maxine Bochnia Artists should NOT support a quasi-political organization... esp when it's mainly in place to make money for the founders. If artists and Etsy want to do some good, find a group that actually has a track record of good deeds. I will NOT buy from Etsy till the month is over.
